

# Faculty SOS Fellowship

The Center for Educational Outreach (CEO) provides the **Faculty Structured Outreach Support (SOS) Fellowship Program** to promote educational outreach.

## Program Description

CEO is uniquely positioned within U-M's Office of Diversity, Equity and Inclusion to develop educational capacity and promote collaboration across campus. We support faculty efforts to expand opportunities and improve educational outcomes for under-served schools and students statewide.

## Fellowship Goals:

- Increase capacity for faculty to engage in educational outreach
- Connect faculty with a network of scholars and practitioners in the field of outreach
- Launch innovative projects serving under-served students/schools in the state
- Cultivate a community of practice highlighting the amazing work happening across campus and beyond!

## Eligibility

All faculty members are encouraged to apply individually or as a team

## PRIORITY DEADLINE: MARCH 10

Receive up to **\$10,000** and **free educational outreach consulting services**. Funds may be used for programming, graduate student support, or materials that advance educational outreach activities

**YUNUS ZEYTUNCU**

ASSOCIATE PROFESSOR OF MATHEMATICS  
U-M DEARBORN, COLLEGE OF ARTS, SCIENCES, AND LETTERS - MATHEMATICS  
AND STATISTICS

"CEO has been a tremendous support to allow the **connections of me as a faculty, my graduate student learners and community partners increase in strength...** we have been able to support the enhancement of a mentoring program for ...

Ypsilanti Community School District to increase their interactions with higher education... The resources also provided an opportunity to increase engagement with the family members of the students."
