NEXT STEPS:

- ▶ Help increase the number of first-generation, low-income, and underrepresented students entering and completing higher education in the state of Michigan
- ▶ Visit ceo.umich.edu/mcac

Make a Difference | MCAC

MCAC follows the tradition of the AmeriCorps and Teach for America programs. MCAC will recruit and train a diverse group of recent University of Michigan college graduates to work full-time as college advisers in under-served high schools throughout Michigan for one or two years following graduation. These advisers serve as an important resource for the schools as they assist high schools students and help them navigate every aspect of the college-going process.

University of Michigan | MCAC Advisers

Ottawa Hills High School	Abbie Barondess
