Communication is the Key

We recognize that during these challenging times, effective and accurate communication is essential to the success of your COC and Pre-College programs. Risk Management and the Children on Campus Program will collaborate with the Center For Educational Outreach and additional internal and external partners to deliver reliable information to support your programs. You can expect the following...

- Updated information on the COC website that aligns with University protocols
- Department/Unit specific guidance and training related to COC and Pre-College programs
- Your questions answered and Training or communication for your department/unit.
Delivery of Services

Registration
- The Registration Portal on the COC is operational
- All programs should continue to be registered via the Portal
- Virtual/Online programs involving children must be registered
- Modifications/Updates will be made to reflect online classes

Training
- Training Protocols remain the same
- Training related to virtual platforms will be added to COC site
- Group or Individual training as needed will be provided

Forms
- Forms will be updated to reflect virtual learning requirement
- Forms must be reviewed prior to submission-OGC
